

4/26/17

Dear 2017 Colts U13 / 14 Player,

We look forward to the upcoming Colts U13 & U14 assessments on 5/6, 5/13 & 5/20. We are hoping to have enough players to create an Expansion Team which will combine U13 & U14 players for each gender. However, if there are not enough players to accomplish this, there will be only one team per age group per gender.

If you decide to play Colts Soccer we ask that you agree to put Colts First regardless of which team you join. By signing at the end of this letter you agree that you are making a serious commitment to your Colts teammates.

The following are the responsibilities and expectations of a U13 & U14 Colts player:

- Player is expected to attend team practices and games with minimal conflicts. Repeated conflicts may result in the loss of game playing time and in extreme cases possible forfeiture of the player's place on the team.
- Player is responsible for arriving to games and practices on time and ready to play.
- Player is expected to play in the Labor Day Cumberland Tournament, Soccer Maine's six league games, the Sanford Columbus Day Tournament, and Soccer Maine playoff games.
- Player is encouraged to participate in the following team building Colts activities: Maine Children's Cancer Walk, working the Safe Passage 4 v 4 Soccer Blast and team "friendly" games.
- If unable to attend a practice or game, advance notice is requested and appreciated.

If you have questions about this commitment, please contact Coach Hagerty or have your parents contact a Colts Board member.

Please indicate that you and your parent or guardian have read and agree to abide by the Colts First position by printing, signing and returning this letter to Coach Hagerty in school or bringing it to assessments in May.

You may also choose not to attend assessments at all; if a player chooses not to attend, he/she will automatically be awarded a position on the expansion team if there are enough players to field an expansion team.
